NEW FROM WINTER SEASON 2015/16

Further investments have been made on the Feuerkogel Mountain within the project of renewing the infrastructure. For the coming winter season 46 snow making machines from the SUFAG Company have been installed.

This will ensure that skiers on the family skiing runs Feuerkogel can in future expect good snow conditions and enjoy the area to the full.

HOLIDAY WITH THE FAMILY IN EBENSEE

Families are very welcome in Ebensee. There's lot happening: Ebensee holiday pass, attractive excursions for the whole family, Gassel stalactite caves for the adventurous, boat trips on Lake Traunsee, Action and fun in the go-kart hall and much more.

HIKING AROUND EBENSEE

Ebensee is Traunsee's hiking paradise. You can enjoy over 200 km of hiking and walking trails and around 17.000 metres difference in altitude to mountain peaks, with fabulous views and hospitable shelters amid pristine nature. Two climbing routes (B/C) in the "Totes Gebirge" and "Höllengebirge" ensure a special landscape experience with magnificent views. A special incentive are the mountain peaks for the "Ebensee Gipfelstürmer" hiking pass!"

CYCLING AND MOUNTAIN BIKING

There are beautiful cycling tours on paved paths from Ebensee along Lake Traunsee, on the cycling track to Bad Ischl or in the immediate Salzkammergut area. We particularly recommend the routes to the romantic Langbathseen Lake areas and to Offensee Lake. You can take your bicycle as needed on Traunseeschiffahrt boats.

E-bikes and mountainbikes are available to hire in Ebensee. Off the classic routes there are around 150 km of mountain bike routes of various levels of difficulty to stir the hearts of an adventurous cyclist. The natural Feuerkogel MTB downhill course offers fun and action for 5,6 km
