

**K-Hof –  
Kammerhofmuseum –**  
The “Kammerhof” - home and  
site of the powerful salt-author-  
ity-men - Since 2008 the “K-  
Hof-Museum” is located in the  
“Kammerhof” building and  
houses the unique sanitary  
museum “Klo&So”.

**The “Gisela” Paddlesteamer –** The “grand old lady”, how  
she is often called, cruises the waves of lake “Traunsee” as the only  
national heritage-protected boat in Austria.  
**Hours of operation:** July until beginning of September  
every Sunday.

**City Theatre –** 1871/72  
a representative theatre  
building was established,  
which offered a great va-  
riety of operas, operettas,  
dramas and comedies.  
The city theatre is home to  
the “Salzkammergut Fest-  
wochen” and extensive  
theatre productions.

## A guide through Gmunden

### 3D-Panoramic Map and Parking Info

**Town Hall –** The town hall is  
located on the “Townhall  
Square” and houses the cera-  
mics chime, which was craft-  
ed in the unique “flowery  
green” style by the world-  
famous china-manufacturer  
“Meißen”.

**Parish Church –** The most valuable component of the parish church  
is the high altar created by Thomas Schwanthaler (the only Three Kings  
altar in Austria). The Virgin of Mercy made of ceramics, which is located  
above the right side entrance to the church is known as an appreciation  
symbol for the preservation of damages in Gmunden during WWII.

**Salt-Bearer-Well –**  
The well is located on the  
“Rinnholzplatz” and it is the  
only well in Austria made of  
ceramics.  
It depicts the profession  
“salt-bearer”.

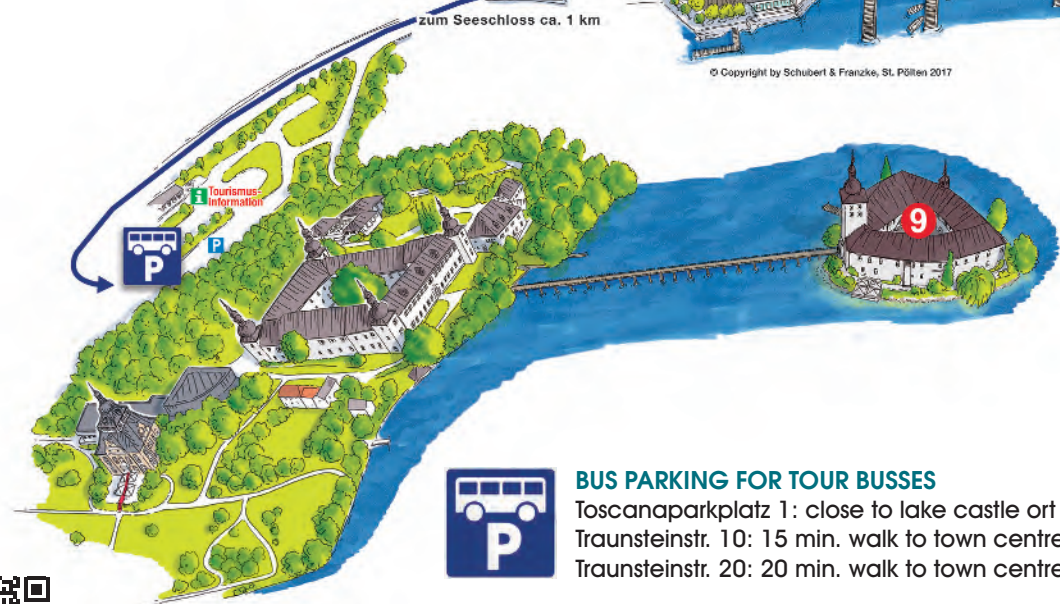

## Tour bus information

Attractions, bus parking and bus stops in Gmunden

### Lake Castle Ort

The lake castle, which was built on a small island and is connected to the mainland through a 120 metre long bridge, became both, a famous tourist attraction known far beyond Austrian borders and an admired wedding and event venue, through the very popular TV-series "Schlosshotel Orth".

#### BUS PARKING FOR TOUR BUSES
