**EXPLORE THE LAKES AND MOUNTAINS OF THE SALZKAMMERGUT**

The first long-distance trail in the Salzkammergut, the 350 km Salzkammergut BergeSeen Trail, came into being in the spring of 2017. The trail is unique in the world of long-distance hiking in that it connects no less than 35 lakes.

Travel from one lake to the next in 20 daily stages. Walk day after day along shores lapped by crystal clear water. Invest your time hiking through quiet forest valleys, across sunny alpine meadows, and over imposing mountains. Let yourself be enchanted by the magnificent views of the Salzkammergut.
